ankle brace

better prices for bulk orders

1 for
\$50

2 for
\$80

Great quality ankle braces, to help keep you on the court. This is one of the more popular supports among athletes. Brace is lightweight, extremely soft to the touch and comfortable.

Removable bone down both sides of Ankle for extra support.

The fabric is neoprene-free, latex on elastic pull strap, secure ballistic nylon stirrup straps replicate ankle taping and longer webbing crossing straps provide exceptional support keeping foot in neutral position.

Secure stirrup straps and longer webbing crossing straps provide exceptional support.

The polyester-cotton laces are strong and resist shrinking.

Dynamic straps add tension as the ankle moves for even more support and a secure fit. Ballistic nylon straps: replicate ankle taping . Lace up closure: patient friendly application

Bilateral capability: helps keep foot in neutral position.

Low profile: will fit in any type of shoe
